

BIG DONATION

DAVID REEVELY, THE LETTERS COLUMN

DAVID REEVELY takes apart the funding announcement in his Greater Ottawa blog at:

Mayor Larry O'Brien, right, and city councillors Rob Jellett and Bob Menette, left, were on Petrie Island yesterday to present funding cheques from the city to the Ottawa River Keeper and the Friends of Petrie Island. However, as David Reevely points out in his blog, no one from the city explained that the \$200,000 donation was an effort to save the city a lot more in fines.
